

Project Rachel

Project Rachel is our response to those who have had an abortion. Free literature and referrals are available to help with the trauma and promote healing.

Natural Family Planning

Natural Family Planning is a natural way to postpone or achieve pregnancy. It is medically safe with no health risks, immediately reversible and morally acceptable. Please contact Respect Life for free literature and referrals.

Pro-Life Issues

Free literature is available on all life issues including stem cell research, birth control, abortion and euthanasia.

Respect Life

Who We Are...

St. Simon Respect Life is a non-profit organization founded to educate the community at every opportunity about the miracle of Life. This is accomplished through prayer and hands-on ministry. All services are free and confidential regardless of faith, race or marital status.

St. Simon Respect Life Provides...

Respect Life provides clear explanations of the Church's teaching on human sexuality and human life issues. It makes recommendations regarding appropriate materials which will foster the Church's teaching in these areas. It acts as a resource to clergy, religious and laity for Pro-Life information, helping to create and assist true Respect for Life so that healthy Christian families will be supported.

"See that you do not despise one of these little ones; for I tell you, their angels in heaven always behold the face of my Father in heaven".

Matthew Ch. 18, v 10

OUR MISSION STATEMENT

BELIEVING THAT ALL LIFE IS SACRED, AND IN RESPONSE TO POPE JOHN PAUL II'S CALL FOR A NEW EVANGELIZATION TO BRING ABOUT A "CULTURE OF LIFE" AND "CIVILIZATION OF LOVE", WE WILL, BY PRAYER AND PEACEFUL ACTION, INFORM THE COMMUNITY OF THE SACREDNESS OF LIFE FROM CONCEPTION TO NATURAL DEATH.
