

## ***“Legacy Program: Generations Helping Generations”***

“Let the children come to me, and do not prevent them;  
for the kingdom of heaven belongs to such as these.”

(Matthew 19:14)

Dear Friend of Catholic Education:

As you know, the school sponsored by St. Simon Parish has been an asset to our faith community, and to the Ludington community, for over 100 years. Today, as the national economy struggles, we at Ludington Area Catholic School/St. Simon School also feel the effects of this economic crisis. I am writing to ask you to join with others in our parish to address some vital needs of our school.

For generations, Catholic education has provided students with a very solid foundation in faith and in academics. To insure that this tradition continues here in Ludington, we have instituted the ***“Legacy Program: Generations Helping Generations.”***

We are seeking a minimum of 300 individuals/families to each donate \$100 or more to help our school during these difficult times. The money raised will help with tuition assistance, textbooks, instructional supplies, technology, and rising utility costs.

Hazrat Inayat Khan once said, “Stand through life firm as a rock in the sea, undisturbed and unmoved by its ever-rising waves.” For over 100 years, Ludington Area Catholic School/St. Simon School has provided this steadfastness by maintaining a quality Catholic education to the children entrusted to its care. With your prayers and financial help, we will continue to touch the lives of God’s precious gifts to us – our children.

Thank you for considering a gift to the ***“Legacy Program: Generations Helping Generations.”*** All donors will be listed on the “Legacy List” posted within our school. What a blessing it will be to the children – the new generation – to see your name there!

God bless you.

Sincerely,

Collin L. Thompson  
Principal
